

## 3D Storm strengthen its ties with Kiloview for 2022

**Kiloview** is a professional solution provider of IP-based video transmission, with products across the range of video encoding, decoding, conversion, IP-based video switching and streaming, including HD or 4K 3G-SDI, 12G-SDI HDMI (HD & 4K UHD) to IP via H.264/H.265/NDI<sup>®</sup> by Ethernet, WIFI or 4G-LTE bonding/5G-LTE and more.

**3D Storm**, the n°1 NDI<sup>®</sup> Specialist in EMEA, is a high value-added distributor specialized in tools for video live production, streaming, video over IP, sports production and software driven video production technology. With more than 10,000 NewTek video production systems sold across Europe and Africa, 3D Storm is known as the n°1 International NewTek distributor.

**After a successful first collaboration** in Q4 2021, **3D Storm & Kiloview** have decided to strengthen their partnership by expanding the 3D Storm catalog. All Kiloview products are now part of the 3D Storm offering, including the latest turnkey solution, NDI<sup>®</sup> CORE Max.

*"Kiloview's ultimate goal is to be Any In Any Out Anywhere and we believe we can achieve it through this great collaboration with 3D Storm. Kiloview's 2022 Roadmap was unveiled a few days ago and we can't wait to grow our business with 3D Storm and show off our new NDI<sup>®</sup> products."*  
**Judy ZUO, Kiloview VP Marketing & Sales.**

*"Kiloview provides many simple and efficient audiovisual transmission solutions, managing all inputs & outputs either directly or via user-friendly centralized management tools. 3D Storm is thrilled to be part of the Kiloview adventure and to distribute their products throughout Europe and South Africa."*  
**Franck LAFAGE, 3D Storm CEO.**

Kiloview will benefit from 3D Storm's large distribution network in Europe, particularly in France, Benelux, Austria, Switzerland, Spain, Portugal, Italy, Greece as well as in South Africa.

Exciting releases were announced at the **ISE 2022**, which took place in **Barcelona on 10-13 May**. ISE was the perfect opportunity for 3D Storm to present the latest products, with, for the first time, an exclusive presentation of **Kiloview NDI<sup>®</sup> Core Max & N60 NDI<sup>®</sup> 5 Encoder Decoder**.
