

## 3D Storm Celebrates Opening of New Madrid Office with a “Reseller Open Day Event”

*3D Storm gather partners & resellers in Spain for a day of demos, presentations, and networking at 3D Storm's new Madrid office.*

On February 22, 3D Storm opened the doors of its brand new office in Madrid for a Reseller Open Day event, welcoming a diverse group of resellers and partners from across the region. The event provided a unique opportunity for attendees to learn more about 3D Storm's innovative solutions and technologies, including the latest NDI® products from NewTek, Kiloview, Telycam & Newblue, as well as to network and connect with like-minded professionals.

Throughout the day, guests had the chance to explore the new facilities, participate in hands-on demos, and engage with 3D Storm's team of experts & partners.

Attendees had the exclusive opportunity to network with industry experts, including **Tatiana Zolotuskaya**, **NewTek** Regional Sales Manager EMEA South/East Europe, and **Andy Hawker**, International Sales Manager at **Studio Network Solutions**, who were both present to share their insights and experience with the group.

*"We are thrilled to have had the opportunity to showcase our new office and connect with so many of our valued resellers and partners," said **Marc Gaillard**, Director of Sales at 3D Storm. "Our team was proud to share the latest innovations from strong brands such as NewTek, Kiloview, Telycam & NewBlue, and we look forward to continuing to collaborate with our network of partners to drive even more success in the future."*

Overall, the Reseller Open Day event was a huge success, solidifying 3D Storm's position as a leader in the industry and setting the stage for even greater growth and innovation in the years to come.
